

2012 NASJE MEMBERS' SCHOLARSHIP GUIDELINES

The National Association of State Judicial Educators (NASJE) developed this program to seek out members who may need assistance to attend the NASJE Annual Conference. NASJE recognizes the financial hardships that many states are currently experiencing, and we know that this venue is the only one of its kind for Judicial Educators nationwide. The networking opportunities and the sharing of resources at this event are what make it unique and we want to encourage membership attendance at this event. The three main factors the NASJE Board Scholarship Subcommittee will use to determine to whom to grant the scholarships will be: **stewardship to NASJE, financial hardship** and **geographic diversity**.

Funds are available to judicial branch educators, who are **current members** of NASJE. Preference will be given to members who have not received a scholarship within the last two years.

Applications are due by **June 1, 2012**. The applications will be reviewed by the NASJE Board Scholarship Subcommittee and applicants will receive notice of approval or denial by **June 15, 2012**. **Applications that are not received by June 1, 2012 will not be accepted.**

Judicial Branch Educators must have pursued other resources and determined that they will be able to attend the conference only with the assistance of a scholarship. Please note that scholarships is to be used toward the registration only.
